Wrapping up 2015...

Planning for 2016

The Masters Basketball Association's 31st Annual National Masters Championships was another success with a terrific week of competition culminating with a great Championship Saturday.

While many of you were participating on the court in this past year's tournament, the Board of Directors along with the tournament staff was meeting to discuss ways to improve our event for 2016 and beyond.

We want to thank those of you who provided feedback to us during the tournament and with your responses on the post-event survey. Your comments are valuable to us and will be shared with the Board of Directors as we consider enhancements.

We hope you enjoyed being a part of the 2015 tournament and look forward to seeing you again next May 2-7 at the Coral Springs Gymnasium.
