Bill Watterson, Chairman MBA Board of Directors

Welcome to the 35th Anniversary of Master's Basketball in Coral Springs Florida presented by the Master's Basketball Association. For the second straight year, nearly (50) fifty teams are expected with more than (500) five hundred participants in addition to family, friends, and spectators. We thank all participants for our 35 wonderful years!

Credit for the heavy lifting to organize the 2019 tournament involves many people. The most impactful is our Tournament Director Steve Nelson along with a host of local support. In order to accomplish a quality event every May, it takes hundreds of planning hours, securing sponsors, speakers, facilities and staff so that every participant enjoys their week spent in Coral Springs. Please take a moment to express your appreciation to Steve and our sponsors when you see them at the banquet or in the gym because it is their selflessness that makes this tournament a success and the premier masters basketball tournament in the nation year after year. This year like all others is a transition year for the MBA. Each year our Board of Directors discuss new ideas and event direction to try to keep it fresh and make each and every year more exciting than the last while being fiscally responsible. In order to maintain tournament excellence and longevity, our Board of Directors spends time analyzing the entire event including the budget and have realized the tournaments sustainability was in question and the budget required further analysis.

After several conference calls with other tournament organizers, the Board realized the MBA budget was excessive in comparison to other events even though each is unique unto itself and ours required a line item review. Our goal is yours in providing the very best tournament for a reasonable cost.

A WELCOME FROM THE CHAIRMAN

National Masters Championships
Coral Springs, Florida

Working with our Supervisor of Officials Pete Battaglia, Steve and the Board, using 2019 as a trial year, have scheduled the 65, 70 and 75 divisions to utilize two referees and continue to use three officials for each final for the above mentioned divisions. The Board will expect feedback from the participants concerning the officiating of their games.

The Board of Directors thanks Pete and his crew for their willingness to make adjustments as requested. In addition, the Board has decided to use alternative means for promotion, notices, and newsletters. These decisions have resulted in substantial savings to the tournament and we believe no degradation to the quality of the games. As always, we welcome your input which allows us to improve our event to everyone's benefit. We understand that this tournament exists because of all of you!

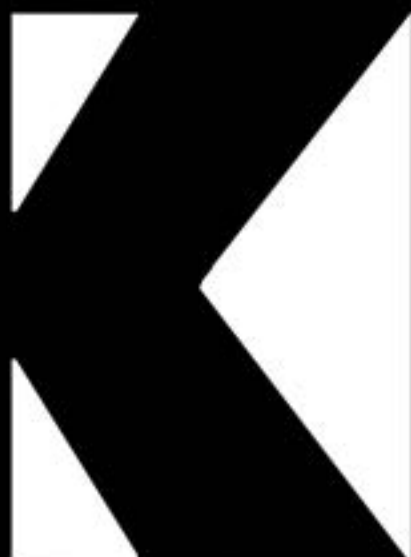

About (70) seventy years ago my dad hung a hoop inside the barn for my older brother, Ed. At the age of seven my basketball enthusiasm was kindled. Following Ed to the high school gym on Saturdays, I was hooked for life. All of you are here for the same reasons. Please enjoy the games and camaraderie. Be safe and be a good sport. It's time to play ball! Best Regards,

Bill Watterson

MBA TOURNAMENT HISTORY

*As of 2018, 31 years of the tournament
have been played in Coral Springs
and Broward County, Florida.
The tournament may be one of the
longest running amateur sports events in Florida.*

The NATIONAL MASTERS BASKETBALL CHAMPIONSHIPS TOURNAMENT evolved from the NATIONAL AAU MEN'S MASTER'S CHAMPIONSHIP

The first AAU Men's Master's Basketball Championship was held in Jacksonville, Florida, May 2 - 5, 1985. The original concept for the tournament was to have 2 divisions; 35 years of age and over and 45 years of age and over. As it worked out, a 30 years and over and 45 years and over competition was held. During 1986, 3 divisions were established for the championship; 30 and over, 40 and over and 50 and over. In 1987, five divisions were planned (30 and over, 35 and over, 40 and over, 45 and over and 50 and over). The 45 and over group was not used. In 1988, five divisions were established. They were 30 and over, 35 and over, 40 and over, 45 and over and 55 and over. In 1993 a sixth division of 60 years of age and over was established. In 1996 a seventh division of 30 and above was added. In 1999 an eighth division of 65 and above was added. Many teams and players return year after year to our premier tournament, looking forward to the camaraderie, competition and MBA experience, allowing for more age divisions to be added.

For 2019, the MBA is offering seven divisions: Men's 40-49, 50+, 55+, 60+, 65+, 70+, and 75+.

The MBA tournament has a number of awards for both team and individual player recognition.

Sportsman of the Year

Our Sportsman of the Year award recognizes an individual who, over a number of years of participation in the tournament, has come to symbolize the very best qualities of sportsmanship and competitive fair play. This award is considered the most prestigious award given. The recipient of this award is given a commemorative plaque, a MBA Tournament ring. Candidates for this special award should be directed to the Tournament Director who will forward nominee information to the Sportsman Selection Committee of the MBA Board of Directors for consideration.

Team Awards

Attractive awards are given to the Team Organizers or Coaches of first- and second-place teams in the Championship Finals and to those who win the Consolation Finals.

Player Awards

Each player in a Championship team will receive an award for being on the championship team. Players on the second place team will also receive a unique award.

All Tournament Teams

An "All Tournament" team comprised of 10 players is named for each age division. After each preliminary and semi-final game, tournament staff select players who have had an "All Tournament" type performance. These votes are tallied at the end of the week and the top 10 vote getters in each age division are named to an "All Tournament" team. Each of these players will be presented with an award recognizing their accomplishment.

Most Valuable Player Awards

The very prestigious Gordon D. Pope MVP Ring by Jostens, designed especially for the MBA is awarded to the MVP from each Age Division. The ring is highly coveted and treasured by the winners.

A committee from the South Florida Basketball Fraternity selects MVP's. Each man knows the game very well having played, coached and observed many basketball games over the years. MVP's are as a rule, chosen from the Championship teams.

exerbotics®
**THE MOST INNOVATIVE EXERCISE
EQUIPMENT AVAILABLE**

What kind of results can I get from just two, 20-minute workouts per week?

Our programs are based on Science and Research which proves that **exercise quality** matters more than movement quantity. Our programs are designed to trigger total-body conditioning, which enables our clients to very safely and efficiently achieve increased strength and endurance, stronger bones, better blood sugar and maximum fat loss.

I've tried everything to lose body fat. How Do I know this will work for me?

Our process is proven to jump-start even the stingiest metabolism. Our highly effective strength and interval training provides deep muscular stimulation, providing you with a focused, coordinated and consistent approach to nutrition and exercise.

Don't I need to do a lot of aerobic exercise to lose body fat?

Absolutely not! We have helped men and women of all ages lose from 20 to 200 pounds without any conventional cardio. Our approach is 100% backed by the most recent science, and by our raving fans. We invite you to come in and let us explain how it works.

What if I am really out of shape?

Then you are a really good candidate for our program. We use proprietary technologies that adapt to anyone's current fitness capabilities. Our coaches are experts at acclimating non-exercisers and deconditioned individuals to productive strength training.

As a physician and scientist, the physiology of this type of exercise for the general population just makes sense. Since discovering The Exercise Coach, I am encouraging all of my patients to Enjoy Strength!

Dr. Kara Nance, M.D.

With just two, 20-minutes per week I've lost 15 pounds and reduced my blood-pressure, blood-sugar, back pain and shoulder pain. I'm like a new man at age 65!

The Kreul Classic, a non-profit 501(c)3 charitable organization, is one of the premier national high school basketball tournaments in the country. Since 1989, we have hosted the finest teams and most coveted college recruits from across the nation, and enabled Broward's best programs and players to showcase their hardwood skills in a national spotlight.

However, our work is not limited to the basketball court. Education is a core component of the Kreul philosophy, and along with our partners in education, **Publix Super Markets** and **AF Best Securities Foundation, Inc.**, our volunteer-administered efforts have proudly yielded 100 four-year academic tuition scholarships to Florida Atlantic University and numerous stipends for Broward graduates.
