# A WELCOME FROM THE CHAIRMAN

## WELCOME FROM THE CHAIRMAN

Welcome to the 38th annual National Masters Basketball Championships in Coral Springs 2022! We are thankful for your participation and expect another amazing tournament week kicked off with our Welcome Banquet on May 2 at 7PM being held at a new and beautiful resort- "The View" at the Colony West Golf and Resort.

The tournament Committee along with the assistance of our long time MBA participant Gary Munson, have engaged Coach Ron Rothstein, formerly the first head coach of the MIAMI HEAT, as our keynote speaker. Coach Rothstein's message and perspective from a lifetime of basketball from player to coach will surely be interesting for our audience of basketball enthusiasts!

At the banquet we will also be honoring several of the MBA's finest with the coveted "Sportsman of the Year" 2022 award - Tom Ferch, "Official of the 2021 Tournament"- Paul Harley. The Official of the Year award was offered as an idea from several MBA players most notably Jerry "Woody" Woodka. We appreciate his and everyone's input and thank them for their insight and participation.

Additionally, we'll be recognizing two wonderful and composed individuals/first responders that provided aid when most needed Day 1 of last year's tournament- MBA player and fireman Greg McFarland and Nova Southeastern Trainer Jessie Bollock.

This will be another special evening you won't want to miss.

The competition this year includes our largest quantity of players (700) and a record 65 team field from ages 40 to 80 plus. This year our 80-85 division has opted for a 3 on 3 half court format which is another first in MBA history.

The MBA has recently negotiated and purchased live streaming technology which will be visible on a couple of courts as a trial for 2022 and hopes of allowing live streaming in both gyms in the 2023 Tournament next May.

Come out and support the tournament and take time to watch these athletes compete at levels only seen in Coral Springs.

Recently we lost a former member of our Board of Directors, Mike Phelps. Mike was enthusiastic about family, basketball, golf and his construction business. Mike was instrumental in establishing the Tampa Bay Masters tournament which filled a void upon the demise of the Jacksonville tournament. I fondly remember Mike several years ago assisting the MBA concerning its financial viability.

He provided his time and insight to assist the MBA and its Board to assure a stable path forward and for Masters Basketball to continue to flourish not only in Coral Springs but throughout the nation. Goodbye friend. We will sorely miss you and always remember you. Basketball misses you!

My personal thanks to the MBA staff, referees, volunteers and game staff for their part in providing an exceptional tournament experience for our participants. We appreciate their partnership with the MBA and they are in large part the engine that makes tournament week run so efficiently. Their sole focus is the player experience and assistance.

Thank you to Lisa Reinhard; Jordan Klemow and Julio Davila that serve with me on the Board of Directors MBA. Our Board involvement is certainly a "Labor of Love" filled with pride for our MAY MADNESS event and its consistent quality year in and out.

Thank you to Steve Nelson, Tournament Director, Abbie Tepe-Murphy and Jerry Hauck Assistant Tournament Directors and Pete Battaglia Supervisor of Officials for their tournament organization and implementation to assure a smooth operation.

Please express your appreciation and thanks for our staff by being gentlemen during the games.

Lastly, a most significant person to thank and remember for his many years of support for the MBA and the main reason this event exists and continues to thrive today is Mr. Kevin McNamara. From all of us, we thank you Kevin for all you do in assisting and supporting master's basketball and the MBA and we continue your vision when you brought this tournament to Coral Springs many years ago.

It's time to play ball, compete, remain healthy and have fun!

TURNING TRAGEDIES INTO TRIUMPH  
**GRIEF TO GRACE FOUNDATION**  
PROVIDES ASSISTANCE TO FAMILIES

who have lost a loved one due to tragedy and are left with a lifetime of mental, emotional and physical scarring.

We offer resources to help families cope with, and heal from the shock and pain due to sudden loss of a loved one. Grief to Grace was born out of an unforeseen tragedy that led to the passing of a loving young father with a wife and four young children. Losing a loved one is never easy. We will always miss our dad, Marcus L. Tucker, but through this tragedy, we have learned to count on one another and to promote positivity and change wherever we go.

**We believe, no one should have to grieve alone.**

We offer Grief Counseling, Support Groups, Resources, Educational Workshops, College Scholarships & Service Projects.

Grief to Grace is a 501c3 non-profit organization entirely funded through charitable donations.

Our services are provided at no cost to the families. If you would like to support or donate to the grieving families we serve please go to:
