# A WELCOME FROM THE CHAIRMAN

## MBA's Chairman's Message – 2023 A LABOR OF LOVE

The 2023 MBA tourney will mark the end of my chairmanship, which I have filled for about the last 8 years. Many of you may wonder, as have I, how an undersized point guard from Alaska became Chairman of a tournament in South Florida. To me it is the culmination of an unusual journey that started in Centralia, WA in 1961 at Centralia College, a 2 year school.

A classmate, from Alaska, gave me a handwritten note from the U of Alaska Coach, on the outside of an envelope. It was from his high school coach, who had become the UAF coach, and he was inquiring if Roger could recommend a point guard.

UAF did not offer scholarships, but did provide a job. Not wanting to end my basketball playing days, I replied and enrolled at UAF. Completed my last 2 years of eligibility at UAF as the starting point guard with the first year having the most minutes played.

The engineering school was excellent and in 1964 I graduated with a BS in Civil Engineering, with no debt. Helga & I started dating in the spring of 1964 and the end of May we will mark our 58th anniversary. Because of basketball and a handwritten note, I completed college with no debt, met my wife and played basketball until 75. Along the way I earned an MS from Stanford University in Construction Management, travelled to Thailand for a Seattle contractor, returned to Alaska and Helga & I started Watterson Construction Co. in 1981, which last year was voted the Best General Contractor in Alaska. None of this would have happened if I had enrolled at UW to complete my degree. Also, Helga loves traveling, and it is contagious. We've been to Africa 5 times and our last trip took us to the Galapagos.

Also, I love my work and still work at 82. Helga & I worked together for 21 years, until she retired, and are indebted to the many employees we've had the last 42 years that enabled our success.

Thank you for the vision of Kevin McNamara who stepped up and assured the viability of the Masters Basketball Tournament in Coral Springs. Our Alaska team came that first year, 2009, that Kevin and Dave Hulett organized the tourney. A competing tourney was supposed to happen in Cleveland, so I called Harry Carothers and ask him where they were playing, Coral Springs, so we came. A few years later, in response to a message from Dave Hulett, I made a contribution. Then Dave asked if I'd join the board and a few years later I became Chairman.

Thank you to Lisa Reinhard who has been on the Board longer than I, Jordan Klemow who has been on the board for several years and does the heavy lifting in support of Steve Nelson, the Tournament Director, and Julio Davila a recent addition.

A few years back the viability of the tournament was in danger and Lisa, Jordan, myself and former board members Stan Smith and Mike Phelps had several conference calls to re-direct some aspects of our operation. The result is a stronger tournament both financially and for the participants.

Finally, thank you to those I played against, Harry Carothers, Bobby Sfaga, George & Jimmy from Indiana, Tom Ferch, "Victor", Mike Campbell, Ron Linford, Richard "Magic" Johnson, Ron Kofoury and teammates from East Bank Saloon, Ken Ford and "Mike" from Sacramento, Al Richardson, Flynn Robinson and Wali Jones, too many to name them all. "Pete – nuff said!" Those I played with Ken Tator, Mike Mower, Norm Bristow, Bill Iverson, Lee Maxwell, Eric Bennett and Eric McDowell. And my favorite "senior" player to watch, The Energizer Bunny on a basketball court and humble off the court, Bill Berringer. Enjoy the best Masters Basketball tournament, we say in the World. Display sportsmanship and be safe. Thank Steve's staff and the scorekeepers for working the tourney, a needed service without which the MBA would just be another tournament.

Basketball has been a lifelong love, since my dad put a hoop up in the barn when I was 7. My wife says my loves in order are Basketball, Construction and her. Of course, she is number one, but the other 2 are interchangeable in rank. We are childless, so no grand kids to consider.

A "Labor of Love". Marriage, Basketball & Construction. Serving the MBA is my way of giving back to the sport for the life benefits I've received, that started with a handwritten note on the outside of an envelope.

Thank you all for welcoming me on the court and into your lives.

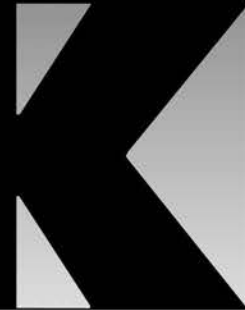

Bill Watterson, Chairman MBA Board of Directors
