## A BASKETBALL TRADITION LIKE NO OTHER

Welcome once again to May Madness in Coral Springs, our 42nd year under the direction of the Masters Basketball Association. Our dedicated Board of Directors and Senior Staff strive to make this tournament the premier masters full-court basketball tournament in the nation and the best on-court experience for our participants. This year our tournament will include 84 men's and women's teams, our largest event in tournament history. We thank all of our team organizers, sponsors, players and staff for taking a week away from your hometowns, family, work and obligations to come to South Florida to participate and compete at masters level of play only seen in Coral Springs each May. Thank you for joining us!

Our weeklong event begins with our Welcome Banquet Monday evening located at the View at Colony West Golf Club where everyone can share our basketball tradition and an evening of brotherhood that has withstood the test of time. Our keynote speaker will be a former NBA great-Anthony Bonner who will join our returning MC Jason Mizrahi for a fireside chat and interesting basketball stories shared. Evening music will be provided by the very talented Ron Piccolo. Gifts, prizes and raffles conclude an enjoyable evening.

Competition begins Tuesday morning and includes the well-attended and mandatory coaches meeting run by Tournament Director Steve Nelson and Supervisor of Officials Pete Battaglia ahead of the first games of the day. The coaches meeting is always a special experience and a time for all coaches to learn the rules of play and understand how the games will be officiated.

The MBA is extremely fortunate to retain world class gym facilities thanks to its longstanding partnership with the City of Coral Spring - Parks and Recreation Department under the direction of Robert Hunter and the on-site efforts of Scott Werner and management at the Pick-A-Ball facility strategically located in Deerfield Beach (only minutes from the Coral Springs gymnasium) which has been completely renovated and includes both new hardwood and glass basketball courts.

The MBA's longevity is directly attributed to our founder Kevin McNamara and his yearly support along with major support from our Board of Directors and all of our sponsors.

UCLA Coach John Wooden once said "Make friendship a fine art" and at the end of tournament week we are hopeful that along with a fiercely competitive basketball tournament, you have left Coral Springs with a larger family of friends from across the world and a brotherhood remembered.

It's time to lace them up, compete and be good sportsmen while you enjoy your week spent in Coral Springs.

We appreciate and thank everyone one of you for making May Madness a success.

Best wishes,

MBA Founder  
Kevin McNamara
